# P50 Service-Free Water Mist Fire Extinguishers

## IDEAL FOR TACKLING **CLASS A** & **ELECTRICAL** FIRE RISKS

P50 Service-Free Water Mist Fire Extinguishers contain only de-ionised water, making them non-toxic and safe for the environment. Suitable for use on Class A (solid combustible) fires and around live electrical equipment, the 2ltr model also features a 5F rating for small, domestic cooking fires. Ideal for homes, offices, schools, hotels, shops, nurseries, rental properties, and HMOs.

P50 service-free fire extinguishers can save you money as they do not require servicing by a 3rd party engineer. Instead, a simple visual inspection can be carried out each year by a member of your team.

- Suitable for use on Class A (solid combustible) fire risks
- Safe for use on live electrical equipment up to 1000V
- 10 year warranty and 20 year lifespan when refurbished after 10 years
- CE marked and Kitemarked to BS EN3
- Lightweight - up to 1.5kg lighter than a steel extinguisher
- UV protection and corrosion proof
- Manufactured in Norfolk, UK
- Fully recyclable at the end of its life
- Super strength composite construction
