P50 Fluorine-Free Foam Service-Free Fire Extinguisher (A-Foam)

IDEAL FOR TACKLING **CLASS A** & **ELECTRICAL** FIRE RISKS

The P50 Fluorine-Free Foam Service-Free Fire Extinguisher (A-Foam) from Britannia Fire has a unique construction that means it does not require servicing annually by a trained engineer. Instead, a simple visual inspection can be carried out each year by a member of your team. This dramatically reduces servicing costs over the lifespan of the extinguisher.

The fluorine-free foam in this extinguisher is free from harmful PFAS chemicals found in traditional AFFF foam, making it a more environmental choice.

- Free from harmful PFAS chemicals
- Safe for use on live electrical equipment up to 1000V
- 10 year warranty and 20 year lifespan when refurbished after 10 years
- CE marked and Kitemarked to BS EN3
- UV protection and corrosion proof
- Manufactured in Norfolk, UK
- Fully recyclable at the end of its life
- Super strength composite construction

A-FOAM

Product Code	BEFW6EFAS
Capacity	6ltr
Extinguisher Ratings	34A, 13B
Dimensions (HxDia)	570 x 178mm
Weight	8.50kg
Operating Pressure	12 bar at 20 °C
Operating Temperature	+5 °C to +60 °C
Discharge Time	40 sec.
Discharge Range	4m

First Rate Fire Protection
First for safety in the workplace
